

HELLO

It's me.

I was wondering if after all these years
you'd like to meet?

They say that time's supposed to heal ya,
but I ain't done much healing

Hello, can you hear me?

I'm at Lucky's dreaming about who we used to be
When we were younger and free

I've forgotten how it felt before the world
fell at our feet

There's such a difference between us

Hello from the other side

I must've called a thousand times

To tell you I'm sorry for everything that I've done

Hello from the outside

At least I can say that I've tried
To tell you I'm sorry for breaking your heart

It's so typical of me to talk about myself, I'm sorry

I hope that you're well

Did you ever make it out of that town
where nothing ever happened?

It's no secret that the both of us
Are running out of time
